

## ESG SUSTAINABLE INVESTMENT

### Distribution of the PAM fund range as of 01/01/2023

As a financial market participant, PALATINE ASSET MANAGEMENT is subject to Regulation 2019/2088 of 27 November 2019 on financial services sector sustainability disclosure - known as the Disclosure Regulation or SFDR.

This Regulation establishes harmonised rules for financial market participants on transparency with regard to:

- the integration of sustainability risks (Regulation 6),
- integrating negative sustainability impacts, promoting environmental and/or social attributes into the investment process (Regulation 8)
- the Sustainable Investment Goals (Regulation 9).
